

## [AB987] REDEVELOPMENT AFFORDABLE HOUSING ROSTER

In accordance with the requirements of California State Assembly Bill 987, this Affordable Housing Roster contains a list of properties developed, or rehabilitated with assistance from the former Community Redevelopment Agency of the City of Los Angeles (CRA/LA) with redevelopment tax increment Low and Moderate Housing Funds.

Some of these properties may not have any vacancies at this time and may have lengthy waitlists. Please contact the property management agent at the property to inquire about:

- » eligibility criteria
- » availability of a unit
- » possibility of being placed on the waiting list at that property

These buildings contain units for very-low, low and moderate income individuals or families, as well as market rate units. Therefore, when contacting the agent from the property management team, specify your income to verify the appropriate type of unit (i.e. very-low, low or moderate income). The property management is responsible to advise you of the qualifying income, rental rates and other restrictions for these units.

Please note that certain types of affordable housing are developed for households with special needs (e.g. domestic violence survivors, persons with disabilities), which may be normally accessible through non-profit or government agencies sites.

Please also note that the Los Angeles Housing and Community Investment Department sponsors [www.housing.lacity.org](http://www.housing.lacity.org) as a resource to find affordable housing units.

If you would like more information, please contact the Los Angeles Housing and Community Investment Department (HCIDLA) at 213-808-8806 or [hcidla.occmmonitor@lacity.org](mailto:hcidla.occmmonitor@lacity.org)
